Harrison Parkway Elementary: Camp Chronicles

June 1 - July 31

At Camp Chronicles, campers experience the magic of traditional camp life—right in their own community. Through outdoor exploration, creative expression, hands-on challenges, and meaningful group connections, each week becomes a new “chapter” in their summer story. Campers will build confidence, friendships, and life skills while enjoying the best parts of resident camp—without the overnight stay. Plus, once a week, they’ll head to the Fishers Community Center, Strengthened by IU Health, to cool off and make a splash during dedicated swim time!

Dates: Weekly, June 1 - July 31

Days: Monday - Friday

Ages: 5 - 12

Location: Harrison Parkway

Elementary - 14135 Harrison Pkwy,
Fishers, IN 46038

Capacity: 60 Campers

Price:

- **Resident Price:** \$273 per week, per child
- **Non-resident Price:** \$390 per week, per child

Schedule:

- **6:30 AM:** Camp opens
- **7:30 AM:** Extended care activities
- **8:30 AM:** Extended care activities
- **9:30 AM:** SPARK session and morning snack
- **10:30 AM:** Planned activities
- **11:30 AM:** Planned activities
- **12:00 PM:** Lunch

- **2:00 PM:** Planned activities
- **3:00 PM:** SPARK session and afternoon snack
- **4:00 PM:** Clubs
- **5:00 PM:** Extended care activities
- **6:00 PM:** All campers must be picked up by 6:00 PM

*Swimming days will be communicated in the Weekly Newsletter

Full Day Camps

Harrison Parkway Elementary Camp Chronicles

Harrison Parkway Elementary: Camp Chronicles

- **Week 1, June 1-5: Welcome to Camp Cove:**

- Kick off summer with a week of connection, collaboration, and classic camp fun! Campers will dive into team-building games, shared traditions, and creative challenges that spark friendships and build a strong camp community. From silly skits to spirited competitions, every day is designed to help campers grow together and make lasting memories.

- **Week 2, June 8-12: Legends of the Land:**

- Campers uncover the magic of the natural world as they craft their own camp legends. Through imaginative play, nature-inspired art, and outdoor adventures, they'll connect deeply with the environment—and each other. Every day brings new discoveries, creative expression, and stories waiting to be told.

- **Week 3, June 15-19: Trailblazers & Treasure Maps:**

- Adventure is around every corner as campers become trailblazers in the great outdoors! They'll master survival skills, tackle hands-on STEM challenges, and put their navigation know-how to the test during a camp-wide treasure hunt. With maps in hand and curiosity as their compass, campers will explore, problem-solve, and discover the thrill of outdoor adventure.

- **Week 4, June 22-26: Camp Spirit Week:**

- Get ready to show your spirit! This high-energy week is packed with themed days, friendly competitions, and nonstop camp pride. Campers will express themselves through costumes and creativity, cheer on their teams, and celebrate kindness, collaboration, and community. Each day brings a new theme to spark excitement and imagination:

- Mismatch Monday – Wild patterns, silly socks, and creative combos!
- Twin Tuesday – Match outfits with a friend or group for double the fun!
- Wacky Hat Wednesday – The bigger, the bolder, the better!
- Superhero Thursday – Dress as your favorite hero or create your own!
- Festive Friday – Celebrate camp spirit with face paint, glitter, and all-out fun!

- **Week 5, June 29-July 3: Water, Sun, & Wild Things:**

- Dive into the wild side of nature with curious minds and active hands! This week is all about outdoor exploration through sensory-rich, hands-on experiences. From splashing with water toys to digging into nature-themed activities, campers will discover the wonders of the world around them through play, creativity, and curiosity.

- **Week 6, July 6-10: Makers & Creators:**

- Campers unleash their inner inventors and artists through hands-on projects that spark imagination and innovation. From nature-inspired crafts to recycled art masterpieces, creativity takes center stage. With each challenge, campers blend problem-solving with artistic expression—building, designing, and dreaming up something new every day.

Harrison Parkway Elementary Camp Chronicles

Harrison Parkway Elementary: Camp Chronicles

- **Week 7, July 13-17: Mystery Mission:**

- A mysterious quest unfolds as campers become adventurers on a week-long journey filled with puzzles, challenges, and hidden clues! Each day brings a new twist in the story, encouraging teamwork, imagination, and problem-solving. Whether decoding riddles or completing creative missions, campers will work together to unlock the secrets of their epic camp adventure.

- **Week 8, July 20-24: Stars & Stories:**

- Imagination meets the cosmos in a week of stellar discovery! Campers will journey through the night sky as they explore constellations, create star maps, and uncover the legends behind the stars. With glow-in-the-dark crafts, space-themed adventures, and storytelling under the stars, this week blends science, creativity, and a touch of magic to inspire every young explorer.

- **Week 9, July 27-31: Final Chapter- Camp Chronicles:**

- The final week of camp is a vibrant celebration of everything campers have built together—friendships, memories, and personal growth. Campers take the lead through talent showcases, creative group projects, and reflection activities that highlight their unique voices and experiences. It's a joyful, heartfelt close to the summer, filled with laughter, pride, and the spirit of community that defines Camp Chronicles.

NEW This Year: Enrichment Camps

Enrichment Camps are a fun way to experience the community and get your classic camp setting. It's the best of both worlds! In this offering, kids will spend three hours off-site at various locations around Fishers, with bus transportation included. Afterwards, campers will return to the original camp location point and resume scheduled programming.

Transportation:

- All field trip transportation is provided by First Student Transportation, a trusted and professional bus company
- We are committed to providing the highest level of supervision during all field trips and enrichment camp experiences. All camp staff ride the bus with campers, and we maintain the same high staff-to-camper ratios on field trips as we do during regular camp activities—ensuring your child is safe, supported, and engaged at all times
- Campers are expected to follow all safety rules while riding the bus, including staying seated, using quiet voices, and listening to staff instructions

We are actively pursuing accreditation through the American Camp Association (ACA) and follow their recommended supervision ratios:

- 3-4-year-olds: 1 staff for every 5 campers
- 5-6-year-olds: 1 staff for every 6 campers
- 7-8-year-olds: 1 staff for every 8 campers
- 9-12-year-olds: 1 staff for every 10 campers

These small group structures allow our staff to build strong relationships with campers, provide individualized attention, and maintain a safe and supportive environment throughout the day.

Full Day Camps

Southeastern Elementary Camp Curiosity

Southeastern Elementary: Camp Curiosity

- **Week 1, June 1-5: Science Lab Launch:**

- Kick off the summer with a bang! Campers will jump into the world of science with a week full of messy, colorful, and hands-on fun. They'll learn the basics of lab safety while experimenting with slime recipes, erupting volcanoes, fizzy reactions, and rainbow-colored creations. Through guided exploration and playful discovery, campers will build confidence as young scientists and set the tone for a summer packed with curiosity and creativity!

- **Week 2, June 8-12: Nature Detectives:**

- Grab your magnifying glass, adventure awaits! This week, campers become nature sleuths as they explore the great outdoors through hands-on discovery. From investigating bugs and crafting leaf rubbings to conducting eco-friendly experiments, each activity encourages curiosity and a deeper appreciation for the environment. Campers will learn to observe like scientists, think like ecologists, and play like explorers in a week full of fresh air and natural wonder!

- **Week 3, June 15-19: Space & Rockets:**

- 3...2...1...blast off! Get ready for an out-of-this-world adventure as campers journey through the cosmos. This week is all about space exploration—from launching rockets and mapping constellations to crafting moon sand to learning about planets, stars, and galaxies. Campers will ignite their imaginations while discovering the wonders of the universe through hands-on experiments, creative projects, and stellar science fun!

- **Week 4, June 22-26: Mad Matter Week:**

- Get ready for messy, fizzy, and fantastic fun! This week, campers dive into the wild world of chemistry with hands-on experiments that bubble, ooze, and pop. From making Oobleck and exploring states of matter to creating colorful reactions and fizzy concoctions, every activity is designed to spark curiosity and excitement. Campers will mix, stir, and discover the magic of science in a week that's anything but ordinary!

Full Day Camps

Southeastern Elementary Camp Curiosity

Southeastern Elementary: Camp Curiosity

- **Week 5, June 29-July 3: Engineering Explorers:**

- Build it, test it, improve it! This week, campers step into the shoes of junior engineers as they tackle exciting design challenges. From constructing sturdy bridges and towering structures to creating chain-reaction machines inspired by Rube Goldberg, campers will learn the basics of engineering through creativity, problem-solving, and hands-on experimentation. It's a week full of innovation, teamwork, and trial-and-error fun!

- **Week 6, July 6-10: Weather Wonders:**

- Rain or shine, science is in the forecast! Campers will uncover the mysteries of weather through hands-on experiments and creative exploration. From swirling tornado tubes and fluffy rain cloud demonstrations to sunny science-inspired art, each activity helps campers understand the forces behind our daily forecast. It's a week filled with stormy fun, scientific wonder, and sky-high curiosity!

- **Week 7, July 13-17: Animal Science:**

- From habitats to adaptations, the animal kingdom comes alive! Campers will dive into the science of wildlife as they explore how creatures big and small survive and thrive. Through interactive games, creative crafts, and hands-on learning, they'll investigate ecosystems, discover unique animal traits, and even design their own imaginary species. It's a wild week of discovery, creativity, and nature-inspired fun!

Southeastern Elementary Camp Curiosity

Southeastern Elementary: Camp Curiosity

- **Week 8, July 20-24: Water Works:**

- Dive into splashy science! Campers will make waves as they explore the fascinating properties of water through hands-on experiments and exciting challenges. From testing buoyancy and building floating creations to investigating water movement and conducting splashy science games, this week is all about discovery, creativity, and soaking up fun. Whether it's learning why things sink or float or crafting water-inspired art, campers are in for a refreshing adventure!

- **Week 9, July 27-31: Curiosity Countdown:**

- Celebrate a summer of exploration! In this final week, campers will revisit their favorite activities, play science-themed games, and enjoy creative challenges that highlight everything they've learned. With a mix of hands-on fun, outdoor adventures, and team-based experiments, it's the perfect way to wrap up a season of curiosity, discovery, and friendship!

- Get ready to make a splash! In the Splash Circuit, campers will travel to splash pads around Fishers for three hours of water-filled fun. From fountains and sprayers to splash zones and surprise games, every stop on the circuit brings a new way to cool off and play. It's the ultimate summer adventure for kids who love to get soaked and stay smiling!

- **Week 5, June 29-July 3: Robotics:**

- Price:
 - Resident: \$338
 - Non-resident: \$455
- Gear up for a week of hands-on discovery at Robotics Camp! Campers will spend three exciting hours each day exploring the world of robotics through age-appropriate building challenges, coding basics, and creative problem-solving. Using kid-friendly technology and guided instruction, they'll design, build, and test simple robots while learning how machines move, sense, and respond. It's the perfect blend of STEM learning and imaginative play—where curiosity leads the way! Robotics Enrichment Camp is hosted at Southeastern Elementary where robotics camp partners will visit for the enrichment experience.

- **Week 6, July 6-10: Adrenaline Family Adventure Park:**

- Price:
 - Resident: \$453
 - Non- Resident: \$570
- Get ready to jump, climb, and play your way through an unforgettable week at Adrenaline Family Adventure Park! Campers will spend three high-energy hours each day exploring wall-to-wall trampolines, ninja courses, climbing walls, and interactive attractions like dodgeball and foam pits. With a focus on movement, confidence-building, and pure fun, this camp is perfect for young adventurers who love to stay active and challenge themselves in a safe, dynamic environment.

FCC - Camp Chronicles

Fishers Community Center, Strengthened by IU Health: Camp Chronicles

- **Week 1, June 1-5: Welcome to Camp Cove:**

- Kick off summer with a week of connection, collaboration, and classic camp fun! Campers will dive into team-building games, shared traditions, and creative challenges that spark friendships and build a strong camp community. From silly skits to spirited competitions, every day is designed to help campers grow together and make lasting memories.

- **Week 2, June 8-12: Legends of the Land:**

- Campers uncover the magic of the natural world as they craft their own camp legends. Through imaginative play, nature-inspired art, and outdoor adventures, they'll connect deeply with the environment—and each other. Every day brings new discoveries, creative expression, and stories waiting to be told.

- **Week 3, June 15-19: Trailblazers & Treasure Maps:**

- Adventure is around every corner as campers become trailblazers in the great outdoors! They'll master survival skills, tackle hands-on STEM challenges, and put their navigation know-how to the test during a camp-wide treasure hunt. With maps in hand and curiosity as their compass, campers will explore, problem-solve, and discover the thrill of outdoor adventure.

- **Week 4, June 22-26: Camp Spirit Week:**

- Get ready to show your spirit! This high-energy week is packed with themed days, friendly competitions, and nonstop camp pride. Campers will express themselves through costumes and creativity, cheer on their teams, and celebrate kindness, collaboration, and community. Each day brings a new theme to spark excitement and imagination:
 - Mismatch Monday – Wild patterns, silly socks, and creative combos!
 - Twin Tuesday – Match outfits with a friend or group for double the fun!
 - Wacky Hat Wednesday – The bigger, the bolder, the better!
 - Superhero Thursday – Dress as your favorite hero or create your own!
 - Festive Friday – Celebrate camp spirit with face paint, glitter, and all-out fun!

- **Week 5, June 29-July 3: Water, Sun, & Wild Things:**

- Dive into the wild side of nature with curious minds and active hands! This week is all about outdoor exploration through sensory-rich, hands-on experiences. From splashing with water toys to digging into nature-themed activities, campers will discover the wonders of the world around them through play, creativity, and curiosity.

- **Week 6, July 6-10: Makers & Creators:**

- Campers unleash their inner inventors and artists through hands-on projects that spark imagination and innovation. From nature-inspired crafts to recycled art masterpieces, creativity takes center stage. With each challenge, campers blend problem-solving with artistic expression—building, designing, and dreaming up something new every day.

- **Week 7, July 13-17: Mystery Mission:**

- A mysterious quest unfolds as campers become adventurers on a week-long journey filled with puzzles, challenges, and hidden clues! Each day brings a new twist in the story, encouraging teamwork, imagination, and problem-solving. Whether decoding riddles or completing creative missions, campers will work together to unlock the secrets of their epic camp adventure.

- **Week 8, July 20-24: Stars & Stories:**

- Imagination meets the cosmos in a week of stellar discovery! Campers will journey through the night sky as they explore constellations, create star maps, and uncover the legends behind the stars. With glow-in-the-dark crafts, space-themed adventures, and storytelling under the stars, this week blends science, creativity, and a touch of magic to inspire every young explorer.

- **Week 9, July 27-31: Final Chapter-Camp Chronicles:**

- The final week of camp is a vibrant celebration of everything campers have built together—friendships, memories, and personal growth. Campers take the lead through talent showcases, creative group projects, and reflection activities that highlight their unique voices and experiences. It's a joyful, heartfelt close to the summer, filled with laughter, pride, and the spirit of community that defines Camp Chronicles.

Half Day Camps

AgriPark Explorers

AgriPark Explorers

- **Week 1, June 1-5: Welcome to the Farm:**

- Step into the world of barnyard adventures! Campers will meet friendly farm animals, dig into garden discoveries, and experience the rhythms of farm life through hands-on activities, interactive games, and storytelling. From feeding animals to planting seeds, every day is packed with curiosity, connection, and down-to-earth fun!

- **Week 2, June 8-12: Dirt Detectives:**

- Get your hands dirty and your minds growing! Campers will dig into the wonders of soil through fun, hands-on exploration of composting, worm habitats, and the science behind healthy soil. Through games, experiments, and garden adventures, they'll discover how soil helps plants thrive—and why it's one of nature's coolest secrets!

- **Week 3, June 15-19: Plant Power:**

- Discover the amazing world of plants and the power they hold! During this hands-on camp, campers will explore how plants grow, why they're essential to our environment, and the many ways they impact our daily lives. From planting seeds and caring for crops to learning about plant-based foods and sustainability, kids will get an up-close look at agriculture in action. Activities include gardening projects, interactive science experiments, and creative crafts that are all designed to inspire a love for nature and healthy living. Join us for a week of growth, learning, and green fun!

- **Week 4, June 22-26: Animal Adventures:**

- Get up close and personal with chickens, goats, cows, and more as campers explore the world of farm animals! Through hands-on activities, they'll learn about animal care, habitats, and daily farm responsibilities. From feeding and grooming to understanding what animals need to thrive, it's a week full of discovery, compassion, and barnyard fun!

- **Week 5: June 29–July 3: Pollinator Patrol:**

- Buzz, flutter, and fly into the fascinating world of pollination! Campers will discover how bees, butterflies, birds, and even the wind help plants grow and thrive. Through hands-on activities, garden exploration, and pollinator-themed games and crafts, they'll learn how these tiny helpers make a big impact. It's a week full of discovery, creativity, and appreciation for the natural world!

Half Day Camps

AgriPark Explorers

AgriPark Explorers

- **Week 6, July 6-10: Water Wonders:**

- Dive into the science of water! Campers will explore irrigation systems, investigate pond ecosystems, and discover the importance of water conservation through splashy experiments and outdoor adventures. From building mini waterways to observing pond critters, it's a week of hands-on learning, environmental awareness, and wet-and-wild fun!

- **Week 7, July 13-17: Farm to Table:**

- From soil to snack time, campers will experience the full journey of food! They'll harvest fresh produce from the garden, whip up simple, tasty treats, and discover how fruits and veggies travel from the earth to our plates. Through hands-on activities, cooking fun, and garden exploration, campers will gain a deeper appreciation for healthy eating and the magic of growing their own food.

- **Week 8, July 20-24: Nature Builders:**

- Get creative with nature! Campers will use sticks, stones, pinecones, and more to build bug hotels, bird feeders, and cozy shelters for local wildlife. Along the way, they'll explore ecosystems and habitats, learning how even the smallest structures can support big biodiversity. It's a hands-on week of building, exploring, and caring for the creatures that share our world!

- **Week 9, July 27-31: Seeds of Summer:**

- As our nature-filled journey comes to a close, campers will reflect on the memories, friendships, and discoveries they've made throughout the summer. Like seeds planted in rich soil, the experiences from camp will continue to grow long after the final day. Through storytelling, nature journaling, and a special closing activity, we'll celebrate how far we've come—and look ahead to the adventures still waiting to bloom.

Billericay Park: Storybook Studios

June 1 - July 31

Welcome to a summer where imagination leaps off the page! At Storybook Studios, young artists become storytellers, illustrators, and world-builders. Each week, campers will explore the magical connection between art and storytelling—creating colorful characters, designing fantastical settings, and crafting visual tales through drawing, painting, sculpture, and more. From comic strips to mythical creatures, puppets to picture books, every camper will bring their own stories to life through hands-on, creative adventures. By the end of the summer, they'll have a portfolio full of original artwork and a story only they could tell.

Dates: Weekly, June 1 - July 31

Half Day Camps

Billericay Park Storybook Studios

Billericay Park Storybook Studios

- **Week 1, June 1-5: Once Upon A Line:**

- Start your story with a single line. This week, campers will discover how lines and shapes can do more than fill a page—they can express movement, emotion, and character. Through drawing, sketching, and creative exploration, campers will build the foundation of visual storytelling and learn how even the simplest marks can bring big ideas to life.

- **Week 2, June 8-12: Colorful Characters:**

- From brave heroes to mischievous monsters, this week is all about imagination in motion! Campers will dive into character design using color, costume, and expression to bring their original creations to life. Whether sketching sidekicks or crafting villains, they'll explore how visual choices shape personality and story—one character at a time.

- **Week 3, June 15-19: Fantastic Worlds:**

- Where do your characters live? This week, campers will dream up imaginative settings—from enchanted forests and underwater cities to distant galaxies. Through drawing, crafting, and storytelling, they'll design the worlds that shape their characters' adventures, and learn how the environment adds depth, mood, and magic to every story.

- **Week 4, June 22-26: Myth & Magic:**

- Inspired by folklore and legends, campers will explore the art of storytelling through magical creatures, ancient symbols, and mythical scenes. Using a variety of artistic techniques—from painting and sculpture to collage and mixed media—they'll bring timeless tales to life with imagination and creativity.

Half Day Camps

Billericay Park Storybook Studios

Billericay Park Storybook Studios

- **Week 5, June 27-July 3: Comic & Cartoon Creations:**

- Learn the art of visual storytelling through comic strips, zines, and cartooning! Campers will develop short stories using panels, speech bubbles, and expressive characters. With plenty of room for humor, action, and creativity, this week is all about turning ideas into illustrated adventures.

- **Week 6, July 6-10: Wordless Wonders:**

- Can you tell a story without words? This week, campers will explore the power of visual storytelling—using only images to express emotion, action, and plot. Through drawing, sequencing, and creative challenges, they'll learn how pictures alone can speak volumes and bring stories to life.

- **Week 7, July 13-17: Art of the Book:**

- This week, campers become authors and illustrators! They'll design their own mini storybooks from cover to cover—complete with original illustrations, creative layouts, and imaginative tales. From character creation to page design, campers will bring their stories to life in a book they'll be proud to share.

- **Week 8, July 20-24: Puppet & Prop Studio:**

- Bring stories to life in three dimensions! This week, campers will build puppets, props, and wearable art to act out their original tales. Through hands-on creation and playful performance, they'll explore how storytelling can leap off the page and into the real world—full of movement, imagination, and fun.

- **Week 9, July 27-31: Tales Remembered:**

- As the final chapter of our summer story unfolds, campers will reflect on the characters, worlds, and adventures they've created throughout the season. Through collaborative projects, memory books, and storytelling showcases, they'll celebrate their artistic journey and the friendships formed along the way. It's a week to honor imagination, growth, and the stories that stay with us.

Harrison Parkway Elementary: Little Sprouts

June 1 - July 31

Little Sprouts Summer Camp is a joyful, hands-on summer experience designed just for preschoolers. Each week offers a new theme filled with outdoor play, creative projects, music, movement, and classic camp fun—tailored to the developmental needs of three-to-five-year-olds. Campers explore, imagine, and grow in a safe, nurturing environment where every day brings something new.

Half Day Camps

Harrison Parkway Elementary Little Sprouts

Harrison Parkway Elementary: Little Sprouts

- **Week 1, June 1-5: Sprout Squad Kick Off:**

- Welcome to camp! This week is all about making new friends, learning fun routines, and jumping into joyful activities. Campers will sing silly songs, chase bubbles, play games, and create colorful crafts! It's the perfect way to start a summer full of wonder!

- **Week 2, June 8-12: Color Me Happy:**

- A week bursting with color and creativity! Campers will explore the magic of art through painting, stamping, and rainbow-inspired crafts. With every brushstroke and splash of color, they'll express themselves, build fine motor skills, and have tons of messy, joyful fun!

- **Week 3, June 15-19: Water Works:**

- Preschoolers will explore water through simple science activities and outdoor play. They'll learn how water helps plants grow and discover its role in nature through hands-on experiments and fun projects.

- **Week 4, June 22-26: Move & Groove:**

- Wiggle, jump, and dance! This high-energy week is all about movement, rhythm, and music. Campers will shake their sillies out with fun dance games, musical instruments, and creative movement activities that get bodies moving and smiles growing. It's a joyful celebration of sound and motion!

Half Day Camps

Harrison Parkway Elementary Little Sprouts

- **Week 5, June 29-July 3: Game On:**

- Classic camp games with a preschool twist! This week is full of playful challenges where campers run, jump, cheer, and giggle their way through obstacle courses, relay races, and team games. It's all about friendly fun, building confidence, and celebrating every little victory!

- **Week 6, July 6-10: Build It, Make It, Shake It:**

- Campers become little creators as they build, stack, and invent with all kinds of materials! From blocks and boxes to nature finds and recycled treasures, this week is all about hands-on exploration, problem-solving, and big ideas from little hands. Creativity and curiosity take center stage!

- **Week 7, July 13-17: Storybook Adventures:**

- Books come to life through crafts, dress-up, and pretend play! This week, campers will explore their favorite stories in creative way by becoming characters, building story-inspired art, and diving into imaginative worlds. It's a magical blend of literacy, creativity, and play that brings pages to life!

- **Week 8, July 20-24: Ooey Gooey Week:**

- It's time to get messy! This week, campers will dive into sensory-rich, hands-on fun as they explore textures, colors, and materials. From squishy slime to sandy creations to gooey art, every activity is designed to spark curiosity and creativity—no clean clothes required!

- **Week 9, July 27-31: Best of the Little Sprouts:**

- A joyful wrap-up to a wonderful summer! Campers will revisit their favorite games, crafts, and songs while sharing memories and celebrating all the fun they've had. With a camp party full of laughter, music, and friendship, it's the perfect way to say goodbye—until next time!

Geist Waterfront Park: Junior Lifeguard Camp

June 8-July 24

Dive into adventure and responsibility! Junior Lifeguard Camp gives campers a hands-on introduction to water safety, rescue techniques, and teamwork—all in the beautiful setting of Geist Waterfront Park. Through fun challenges, skill-building activities, and supervised swim sessions, campers will gain confidence in and around the water while learning what it takes to be a future lifeguard. It's the perfect mix of learning, leadership, and lakeside fun!
