Mural **+** Microsoft

Strategic partners in enterprise collaboration

Benefits for joint Mural and Microsoft customers

Mural offers a deep partnership across the Microsoft 365 ecosystem and continues to be the only enterprise visual work system built on Microsoft Azure.
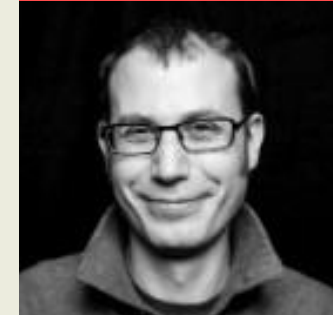

Our joint roadmap focuses on creating a seamless experience across the Microsoft product suite, and has already produced leading integrations with Microsoft PowerPoint, Microsoft Teams, Microsoft Word, Azure DevOps, Microsoft Copilot and much more.

Teams	Outlook	Word	Excel	PowerPoint	Surface Hub
Github	Azure AD	Microsoft 365	Azure DevOps	OneDrive	Copilot

Key reasons to consider Mural:

- M365 certified and ability to transact via Azure Marketplace
- Existing and future integrations with Microsoft suite of products
- Featured preview partner with Microsoft
- Azure customers can retire their Microsoft Azure Consumption Commitment (MACC) with Mural
- Mural is the only visual work platform to integrate with Microsoft Copilot, enabling AI-enhanced collaboration
- Kickstart your planning and work more efficiently with Mural AI, powered by Azure OpenAI

Microsoft | Mural

"Mural and Microsoft together are a huge part of our collaboration stack. Separately, they've been an integral part of how we empower our hybrid workforce — so now that they've come together in one streamlined interface, it's a game changer. Mural and Teams make it easy and fun to deliver meaningful impact to our clients' businesses by reimagining the products and experiences their customers truly value."

Erik Gottesman
Vice President of Agile Program Management
