

# Why Closinglock

## Trusted protection for every home closing.

Closinglock gives title and settlement teams one secure place to process and insure payments, knock out daily tasks, and keep everyone informed.

### Disappoint Fraudsters

- **Securely share** wire instructions.
- **Identification verification** with multipage reports you can action on.

### Delight Your Clients

- No apps, logins, or passwords; **MFA** keeps things secure and simple.
- Meet clients where they are with **two-way text**.
- **Document management** and **eSign** powered by DocuSign.

### Equip Your Team

- **Automated communications** to reduce repetitive follow up.
- **Automated payoff ordering** and verification saves 1-2 hours per file.
- **FinCEN data capture** makes compliance easier.
- **Bank account verification** in seconds.

Closinglock has made us more efficient. It has saved us time. But more importantly we feel safer.
