## ACCESSING THE IN-GAME MANUAL

The instruction manual for this game is conveniently embedded within the game itself.

To view the in-game manual, simply access the Main Menu, go to *Help & Options*, and select the *User Manual* option. You can also access it from the Pause Menu - just go to *Data Console* and select the fifth tab labeled *User Manual*.

Not only does the in-game manual make it quick and easy to get the answers you need, but it will never get worn, torn, or lost. Implementing this feature is just one step Ubisoft has taken to help save the Earth's natural resources.
