Replaying the game

This game has a global save function. If you want to run it again after completing the full playthrough, then do the following:

Steam

1. Open your **Steam** client.
2. Open your **Game Library**.
3. Right-click on *Hello Charlotte: Childhood's End* and open **Properties**.
4. Open **Local Files** tab.
5. Click on the **Browse Local Files...** option.
6. Find **Global.rvdata2** file.
7. Delete **Global.rvdata2** file.

itch.io

1. Open the game folder.
2. Find **Global.rvdata2** file.
3. Delete **Global.rvdata2** file.
