*Re: LSA Document #25-163/Regulatory Analysis-Small Business Economic Impact Statement*

Dear Ms. Szpara,

Pursuant to Indiana Code 4-22-2.1-5(c)(2), as the Small Business Ombudsman for the state of Indiana, I have reviewed the proposed rule and economic impact analysis associated with the rule changes contained in LSA Document #25-136 (proposed rule) submitted to the Indiana Small Business Ombudsman by the Indiana Department of Transportation. I have found the following to be true.

Proposed rule LSA #25-163 adds new rules at 760 Indiana Administrative Code 6. As the ombudsman understands, this will codify already existing fee, fine, and penalty structures on behalf of the Indiana Department of Insurance. Moreover, the ombudsman is under the impression that there is a fee clarification focused on a domestic insurer that fails to meet the criteria established in 760 IAC 6-1-2. Currently, the commissioner determines the fee and has very little concrete guidance as to the size of that fee and how it should be determined.

The Indiana Department of Insurance's provided analysis presents a reasonable justification and an understanding of how the rule should be implemented. Through this new addition to the Indiana Administrative Code, small business owners may experience an overall increase in transparency with their interactions with IDOI and the fees associated with IDOI. As a result, the Indiana Small Business Ombudsman remains neutral on this proposed addition to the Indiana Administrative Code. If there are any questions about these comments, please contact the Indiana Small Business Ombudsman at [ombudsman@iedc.in.gov](mailto:ombudsman@iedc.in.gov).

Sincerely,  
David Watkins Small Business Ombudsman
