 - Department: Political Science
 - Course code: POLISCI 2257
 - Can be found: Anna's Archives: [link here](#)

The screenshot shows the Anna's Archive website interface. At the top, there are several data storage statistics: AA 34TB (mirrored by AA), IA 304TB (scrapped by AA), DuXiu 286TB (scrapped by AA), Hathi 9TB (scrapped by AA), Libgen.II 188TB (collab with AA), Z-Lib 75TB (collab with AA), Libgen.rs 82TB (mirrored by AA), and Sci-Hub 90TB (mirrored by AA). Below this, a yellow banner states: "Our code and data are 100% open source. Learn more..." and "Recent downloads: 1es Number 121 • Shield of Sparrows • Howling Dark (Sun Eater) • Poems of the Masters: China's Classic Anthology of T'ang and Sung Dynasty Verse (Mandarin Chinese and English Edition) • The Hit". The main navigation bar includes Home, Search (which is underlined), and Donate. The search bar contains the placeholder "Title, author, DOI, ISBN, MD5, ...". On the right, there is an "Account" link. The main content area displays the book "Global Political Economy: Theory And Practice" by Theodore H. Cohn & Anil Hira, published by Taylor & Francis in 2025. The book cover features a colorful graphic of various currencies (Dollar, Euro, Yen, etc.) and the title "GLOBAL POLITICAL ECONOMY Theory and Practice" at the bottom. Below the book image, it says "Theodore H. Cohn and Anil Hira" and "NINTH EDITION".
